BAACCBS

Program Description

The School of Accountancy's undergraduate program offers two tracks during the senior year. The accounting track is followed by most students and is designed to provide a rich educational experience. The accounting master's internship is the track designed for our most highly qualified students who wish to commit to the MAcc program or the MTax program during the second semester of the junior year. The internship provides a particularly rich and individualized educational experience during the senior year. It includes a number of distinct advantages for students:

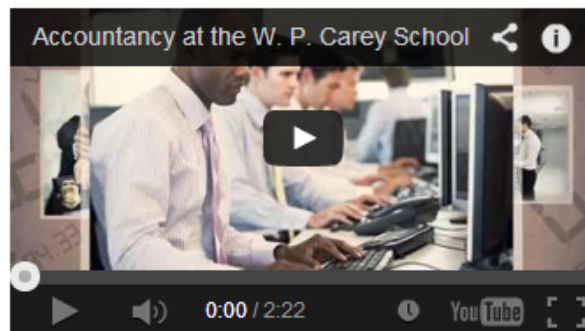

- a full-time paid internship for credit
- early consideration for scholarships and graduate assistantships
- waiver of the GMAT requirement for admission to the MAcc or MTax program

Additional Program Fee: Yes

Second Language Requirement: No

First Required Math Course: MAT 210 - Brief Calculus.

Program Math Intensity: Moderate

this degree is also available with an accelerated graduate degree

[see details](#)

Accelerated Degrees

This degree is also offered as an **accelerated degree** with:

[Accountancy \(MAcc\)](#)

[Taxation \(MTax\)](#)

Acceptance to the graduate program requires a separate application. Eligible students will be advised in their junior and senior years by their academic department to apply.

Admission Requirements

General University Admission Requirements:

All students are required to meet general university admission requirements. [Freshman](#) | [Transfer](#) | [International](#) | [Readmission](#)

Additional Requirements:

Freshmen admission requirements: 1160 SAT Reasoning OR 25 ACT score, OR graduated in the top eight percent of high school class, OR an overall high school GPA of 3.60 in ASU competency courses (A=4.00).

Freshmen should select an additional major when applying for admission. Additional choices may include any of the W. P. Carey's business BA programs or any other degree program outside W. P. Carey School of Business. Students who are not admissible to a W. P. Carey Business BS major and who did not select a second major or are not admissible to their second major choice will be placed in a Business BA program in W. P. Carey School of Business.

Readmission requirements: must meet Freshman admission requirements by way of high school GPA, test score or class rank and must have a 3.00 transfer GPA (if applicable) and a 3.00 cumulative ASU GPA.

Transfer admission requirements (30 or more semester hours of credit after high school): 3.00 transfer GPA and one of the following: 1160 SAT score OR 25 ACT score OR the student must have graduated in the top eight percent of high school class.

Transfer students should select an additional major when applying for admission. Additional choices may include any of the W. P. Carey's Business BA programs or any other business or other degree program outside W. P. Carey School of Business.

Students with fewer than 45 transfer hours who are not admissible to a W. P. Carey School of Business major and who did not select a second major or are not admissible to their second major choice will be placed in Exploratory Social and Behavioral Sciences in the School of Letters and Sciences.

Students with more than 45 transfer hours who are not admissible to the School of Letters and Sciences will be contacted to select an appropriate major.

Transfer Agreements

ASU has partnered with the following institutions to provide curriculum pathways for transfer to this ASU degree program.

Maricopa County Community College District
Arizona Western College
Central Arizona College
Coconino Community College
Eastern Arizona College
Pima Community College
Yavapai College

If your college or university is not listed, please click [here](#).

Career Opportunities

The major in accountancy includes the essential academic preparation for students who are:

- planning to pursue a graduate degree or attend law school
- pursuing professional careers in public, corporate and governmental accounting
- seeking positions in consulting, or planning to operate a business
- seeking positions in personal financial planning and portfolio analysis

The U.S. Bureau of Labor Statistics' Occupational Outlook Handbook (2010-2011) states, "Employment of accountants and auditors is expected to grow by 22 percent between 2008 and 2018, which is much faster than the average for all occupations. Job opportunities should be favorable; accountants and auditors who have a professional certification, especially CPAs, should have the best prospects."

Example Careers: Students who complete this degree program may be prepared for the following careers. Advanced degrees or certifications may be required for academic or clinical positions. Career examples include but are not limited to the following:

	*growth	*median salary
Accountants  Bright Outlook	21.65%	\$63,550
Auditors 	21.65%	\$63,550
Budget Analysts	15.09%	\$69,280
Business Intelligence Analysts 		\$81,140
Business Teachers, Postsecondary	15.12%	\$73,660
Credit Analysts	15.02%	\$61,080
Financial Analysts  Green 	19.81%	\$76,950
Financial Examiners	41.16%	\$75,800
Financial Managers, Branch or Department 	7.65%	\$109,740
Tax Examiners and Collectors, and Revenue Agents	13.03%	\$50,440
Treasurers and Controllers 	7.65%	\$109,740

* Data obtained from the Occupational Information Network (O*NET) under sponsorship of the U.S. Department of Labor/Employment and Training Administration (USDOL/ETA).

✓ Potential job titles in this career

Credit Union Examiner, Examining Officer, Principal Examiner, Supervisory Examiner

* Additional schooling, certification, or degrees may be required for some of the potential careers that are listed.

? What will I do?

- Review balance sheets, operating income and expense accounts, and loan documentation to confirm institution assets and liabilities.
- Direct and participate in formal and informal meetings with bank directors, trustees, senior management, counsels, outside accountants and consultants to gather information and discuss findings.
- Review audit reports of internal and external auditors to monitor adequacy of scope of reports or to discover specific weaknesses in internal routines.
- Train other examiners in the financial examination process.
- Review and analyze new, proposed, or revised laws, regulations, policies, and procedures to interpret their meaning and determine their impact.
- Examine the minutes of meetings of directors, stockholders and committees to investigate the specific authority extended at various levels of management.
- Confer with officials of real estate, securities, or financial institution industries to exchange views and discuss issues or pending cases.
- Establish guidelines for procedures and policies that comply with new and revised regulations and direct their implementation.
- Evaluate data processing applications for institutions under examination to develop recommendations for coordinating existing systems with examination procedures.
- Verify and inspect cash reserves, assigned collateral, and bank-owned securities to check internal control procedures.

In this career, it is important to know

Economics and Accounting - Knowledge of economic and accounting principles and practices, the financial markets, banking and the analysis and reporting of financial data.

English Language - Knowledge of the structure and content of the English language including the meaning and spelling of words, rules of composition, and grammar.

Law and Government - Knowledge of laws, legal codes, court procedures, precedents, government regulations, executive orders, agency rules, and the democratic political process.

Mathematics - Knowledge of arithmetic, algebra, geometry, calculus, statistics, and their applications.

Administration and Management - Knowledge of business and management principles involved in strategic planning, resource allocation, human resources modeling, leadership technique, production methods, and coordination of people and resources.

Customer and Personal Service - Knowledge of principles and processes for providing customer and personal services. This includes customer needs assessment, meeting quality standards for services, and evaluation of customer satisfaction.

Clerical - Knowledge of administrative and clerical procedures and systems such as word processing, managing files and records, stenography and transcription, designing forms, and other office procedures and terminology.

Computers and Electronics - Knowledge of circuit boards, processors, chips, electronic equipment, and computer hardware and software, including applications and programming.

Education and Training - Knowledge of principles and methods for curriculum and training design, teaching and instruction for individuals and groups, and the measurement of training effects.

Communications and Media - Knowledge of media production, communication, and dissemination techniques and methods. This includes alternative ways to inform and entertain via written, oral, and visual media.

It's useful to be good at

Written Comprehension - The ability to read and understand information and ideas presented in writing.

Deductive Reasoning - The ability to apply general rules to specific problems to produce answers that make sense.

Near Vision - The ability to see details at close range (within a few feet of the observer).

Oral Expression - The ability to communicate information and ideas in speaking so others will understand.

Problem Sensitivity - The ability to tell when something is wrong or is likely to go wrong. It does not involve solving the problem, only recognizing there is a problem.

Inductive Reasoning - The ability to combine pieces of information to form general rules or conclusions (includes finding a relationship among seemingly unrelated events).

Oral Comprehension - The ability to listen to and understand information and ideas presented through spoken words and sentences.

Written Expression - The ability to communicate information and ideas in writing so others will understand.

Category Flexibility - The ability to generate or use different sets of rules for combining or grouping things in different ways.

Speech Clarity - The ability to speak clearly so others can understand you.

\$ Employment Trends

transfer to asu

Chandler-Gilbert Community College

Whether you are just starting out at the community college or have completed your associate degree, ASU will provide you with the tools and advice to help you transition to ASU when you are ready.

Maricopa to ASU Pathways Program (MAPP)

This program is designed for students who want to start at the community college and plan to complete a bachelor's degree at ASU. You will follow a prescribed sequence of course work at a Maricopa Community College that meets the lower-division course requirements for an ASU major. When you complete your MAPP, you will have met the requirements for your associate degree and be on track toward earning your selected bachelor's degree.

Maricopa to ASU Exploratory Pathway Program

Still looking for the major that is right for you? ASU's Exploratory Pathway Program is perfect for students like you. These pathways will help you learn more about ASU's majors, career options and transfer pathways that help you transition to ASU. You will get access to supportive academic advisement, student success workshops and online resources to help you as you decide on your academic and career goals.

Maricopa-ASU RN-BSN Pathway Program

Designed for students who are currently pursuing an Associate of Applied Science (AAS) in nursing at one of the Maricopa Community Colleges and who plan to earn a Bachelor of Science in Nursing (B.S.N.) at ASU.

AAS-BAS: Bachelor of Applied Science (BAS)

This program allows students who have earned an Associate of Applied Science from institution to transfer 60 credit hours toward a Bachelor of Applied Science at ASU. Students transferring from a regionally accredited Arizona public community college can transfer up to 15 additional credit hours of general studies courses (75 credit hours total). Students pursuing the 75 credit option may have more than 45 credit hours to complete their BAS upon transfer to ASU. Students should work with their academic advisor to ensure their courses will meet degree requirements.

General Transfer

You can transfer to ASU at any time and complete a bachelor's degree in one of more than 250 academic programs.

ASU at Chandler-Gilbert Community College

ASU representatives will be available at Chandler-Gilbert Community College to help prospective students transfer to ASU. See the calendar below to find out when a representative will be on your campus.

Chandler-Gilbert Community College

Maricopa to ASU Pathways Program (MAPP)

The Maricopa to ASU Pathways Program (MAPP) has been designed for students who want to start at the community college and plan to complete a bachelor's degree at ASU. Through this program, you follow a prescribed sequence of course work at a Maricopa Community College that meets the lower-division course requirements for an ASU major. When you complete your MAPP, you will have met the requirements for your associate degree and be on track towards earning your selected bachelor's degree.

Benefits include:

- Guaranteed admission to ASU degree programs when all MAPP requirements are met.
- Cost-Effective pathway ensuring all courses transfer and apply to an ASU degree.
- 24/7 access to electronic tools, including the Pathway Tracker and My ASU to provide clear documentation of degree progression.
- Access to ASU Transfer Specialists and other pre-enrollment services on-site at the Maricopa Community Colleges.
- Eligibility for participation in the ASU Tuition Commitment for Arizona residents.
- Invitations to ASU special college events.

Terms of the MAPP:

- Working with your community college and ASU advisor to monitor progress on the MAPP.
- Completing the MAPP with a specified GPA and any special requirements.
- Completing the MAPP in a period not to exceed three years.
- Agreeing that student academic data and advising information may be shared between your community college and ASU.
- [Pathway certification](#) verifying completion of the MAPP requirements

*Pathways have been created for ASU's highest demand degrees. The following programs are available through MAPP (these programs pertain to all Maricopa Community Colleges, however, course offerings vary by location):

2014-2015 Catalog Year - MAPP Business (Accountancy) BS

ASU Major

Accountancy, BS - W. P. Carey School of Business

Special Requirements

Completion of the MAPP and all special requirements satisfies the requirements for MCCC Associate in Business (ABUS-GR) and AGEC-B, meets major map requirements at ASU, and guarantees admission to the Business B.S. degree program in Accountancy.

Special Requirements:

Students who complete the MAPP with a 3.0 cumulative transfer GPA* and submit one of the following: an SAT (math and critical reading sections only) score of 1160 or higher, OR an ACT composite score of 25 or higher, OR a high school class ranking in the top 8 percent, OR an overall high school GPA of 3.60 in ASU competency courses (A=4.00) are guaranteed admission to the W. P. Carey School of Business Bachelor of Science degree program, subject to capacity availability. Students may be assigned to a specific campus.

*Because Arizona State University computes GPAs differently than the Maricopa Community College District, admission to the BS program can only be certified after ASU calculates and certifies the GPA.

All courses must be completed with a grade of "C" or better.

Additional Requirements

The following requirements must be fulfilled. Please work with your community college advisor for identifying courses that meet these requirements.

	Course Taken	Term Taken	Grade	Completed Hours
<input checked="" type="checkbox"/> Humanities and Fine Arts [HU]: 6 hours, C minimum. 	ENH 295	FA14	TIP	3
<input checked="" type="checkbox"/> Natural Science - Quantitative [SQ]: 4 hours, C minimum. 	GPH 111	FA14	TIP	4
<input type="checkbox"/> Natural Science - General [SQ] or [SG]: 4 hours, C minimum. 				
<input checked="" type="checkbox"/> Cultural Diversity in the U.S. [C]: C minimum. 	ENH 295	FA14	TIP	3
<input type="checkbox"/> Historical [H]: C minimum. 				
<input type="checkbox"/> Global [G]: C minimum. 				
<input checked="" type="checkbox"/> PSY course (SB): 3 hours, C minimum.	PSY 101 	SP14	TA	3
<input checked="" type="checkbox"/> SOC course (SB): 3 hours, C minimum.	SOC 101 	FA14	TIP	3

Guided Pathways to Success (GPS)

- **Each pathway includes the lower division general education requirements and the major preparation courses for the specific major**
- **Courses are identified by the community college course names and numbers**
- **Documents are available on the web 24/7**
- **Cost effective and time efficient**
- **Credits both transfer and apply**
- **Students come to the university as “true juniors”**
- **No surprises**

Pathways Process

- **Students sign up with their community college**
- **Data is regularly sent to ASU**
- **Starts a communications flow to the student**
- **Students need to follow pathway coursework and achieve the identified GPA, as well as address any other special requirements**
- **Tangible benefits such as:**
 - **Guaranteed admission to the major**
 - **Reduced tuition**
 - **Access to ASU Transfer Specialists and other staff while still at the community college**

Progress

- **We started with Word documents that laid out the basic pathway requirements for 32 majors; now there are pathways for more than 200 majors with the Maricopa Community Colleges**
- **Similar pathways are in place with all public community colleges within Arizona**
- **We have recently implemented a reverse transfer of credit program for those who do not complete their entire associate's degree prior to transfer**
- **We have implemented exploratory pathways for those who are undecided about their majors**

Tech Tools

- **The technology allowed us to make the information accessible and consistent for students, parents, and advisors**
- **It also allowed us to scale and personalize**
- **We developed the tech tools and kept improving the features over time**
- **The curricular pathways are fundamental and the technology tools are helpful, but they are one piece of a more comprehensive reform effort around transfer student success**
